

Newage NI-600C Indentron

Advanced Digital Combination Rockwell Hardness Testing System

- Superficial Rockwell Loads of 15,30 and 45 kg
- Regular Rockwell Loads of 60, 100 and 150 kgs
- Integrated sensors confirm load scale setting prior to testing
- 10' vertical/6' horizontal capacity
- Includes anvil set with flat and combo spot/small vee anvil. Vinyl cover, diamond indenter, 1/16' ball indenter, test blocks for HRC (NIST traceable), HRB, HR30N and HR30T

PART NO: MGT-NI600C

Regular Price: \$16,900.00

SALE PRICE: \$15,900.00

Deltronic Comparator Model DH216-ND1202/E with LCD and Edge Sensing

- DIGITAL LCD READOUT
- MULTIPOINT RADIUS
- ANGLE SCEW
- USB FOR PRINT OF DATA & RS232 FOR SENDING MEASUREMENTS
- 16" SCREEN
- CORRECTED IMAGE TOP TO BOTTOM
- 6" VERTICAL X 10" HORIZONTAL STAGE TRAVEL
- .00005"/.001MM GLASS SCALE
- 10X LENS 1.60"
- FIBER OPTIC SURFACE ILLUMINATION
- GREEN FILTER FOR CONDENSER LENS

PART NO: MGT-DH216-ND1202

Regular Price: \$15,337.00

SALE PRICE: \$14,571.00

### Vermont Gage: Standard Class ZZ Pin Gage Set

- Class ZZ (.0002' or .005mm tolerance, for longer wear)
- Go (Plus) or NOGO (Minus)
- 10 microfinish or better
- .0005" or .02mm sizes
- .001" or .02mm set increments
- 2" long
- NIST traceable
- Tool Steel: 60/62 Rc
- Marked with size & direction of tolerance on gages over .06
- *Certificate of Accuracy Included*

Steel Part No. Plus/Minus	Range	Regular Price	Sale Price
MGT-101100400/ MGT-101200400	.0610"-.2500"	\$165.00	\$157.00
MGT-101100500/ MGT-101200500	.2510"-.5000"	\$245.00	\$233.00

### Mitutoyo Portable SurfTest Roughness Tester: SJ-210

- 4mN Detector type/90 Degree Display unit
- Drive unit and display with connecting cable
- Roughness Specimen
- Calibration Stage
- Carrying Case

PART NO: MGT-178-561-02A

Regular Price: \$2,430.00

SALE PRICE: \$2,309.00

### L.S. Starrett Last Word Dial Test Indicator

- .030"/0.07mm
- .001 Graduation
- 0-15-0
- Jeweled lever action
- Swiveling tubular body
- Complete Attachments: 3 contact points, body clamp, universal friction holder with shank; universal shank with long and short arm; double joint attachment; surface gage attachment; coupled with 3/16"(4.8mm) hole

PART NO: MGT-711GCSZ (English)/MGT-711MGCSZ (Metric)

Regular Price: \$258.00

SALE PRICE: \$241.00

### MGT Tool Embroidered Tool Bag with Vernier Micrometer and Dial Caliper

- Craftsman Tool Bag Embroidered with MGT logo
- Mitutoyo 0-1" Ratchet stop outside micrometer
- Mitutoyo 0-6" White Face Dial Caliper +/- .001" Accuracy

PART NO: MGT-33924/MGT-103-260/MGT-505742

SALE PRICE: \$255.00

### Mark-10 Motorized Stand with Head & Gage

- Ideal for tension and compression testing applications up to 300 lbF lab (5kN)-18" travel
- Unique modular platform with "build-your-own" configurability with PC control. Data collection software & full range of grips and accessories are also available.

PART NO: MGT-ES303 with Series 5

Regular Price: \$4,295.00(grips not included)

SALE PRICE: \$3,866.00

### Glastonbury Southern Gage

Micrometer Set Master  
PART NO: MGT-01-1E (English)  
MGT-01-1M (Metric)

Regular Price: \$392.00  
SALE PRICE: \$373.00

Vernier Caliper Master  
PART NO: MGT-VC-1E (English)  
MGT-VC-1M (Metric)

Regular Price: \$475.00  
SALE PRICE: \$452.00

### Unitron OMNI Digital Imaging System

- 1080 Digital inspection station w/5D lens system
- Magnification range 2.5x-122x
- Camera resolution-180p, 1980x 1080, 60fps
- DVI & HDMI output; four USB ports; internal image storage
- Integrated LED ring light with intensity control
- Wireless keyboard & mouse included
- Dual focus track stand 390mm(L)x300mm(W)x510mm(H)

PART NO: MGT-14860/MGT-14836

Regular Price: \$10,698.00

SALE PRICE: \$9629.00

### Mahr Federal uMaxum II Indicator

Normal/Reverse Sensing High Resolution Digital Output-analog bar graphing; GO/NO GO display; Selectable MarConnect data output via USB; OPTOES232C or Digimatic; "Absolute" Transducer-no overspeed errors or constant re-zeroing
